Character Designer and 2D Flash Builder

Professional Experience

SmashBits Animation Studios August 2019- January 2020

Freelance 2D Flash Builder

- Created multiple character puppets with full turnarounds
- Able to quickly produce full functional puppets in a short time frame
- Worked through technical issues to create puppets of varying complexity
- Kept characters on model and in proportion

SmashBits Animation Studios March 2019-June 2019

Artist and Animation Intern

- Served as a technical artist on multiple animated productions including a Johnny Test reboot, Through the Irish Fairy Door, and other unpublished productions for YouTube
- Assembling assets, audio and storyboards in Adobe Animate scenes
- Reduced production time by 2 weeks
- Provided general assistance to directors, head story, animation supervisor, and production supervisor
- Co-led colleague training on a new system of layout creation and rig implementation for the studio's production Through the Irish Fairy Door
- Researched new tools within Adobe Animate

DDLocks Studios

Character Designer September 2017 - Present

- Worked with clients to create logos, character designs, character turnarounds and commissions
- Clients include LowBrow Studios and In Touch Ministries on unreleased animated projects
- Working from thumbnail drawings to final renders of character design
- Created multiple iterations of designs based on my client's specifications
- Resubmitted design revisions based on client feedback
